Re: Jorge v. Adler | 3:22-cv-30075-KAR

Dear Melissa Rivera,

I hope this letter finds you, and the court safe, and well during these trying times.

I am writing to request instructions on how to proceed as a “pro se party” to file an appearance and a letter to The Honorable Judge Katherine A. Robertson to dismiss Jorge v. Adler | 3:22-cv-30075-KAR.

I have included my “pro se party” letter requesting dismissal for your reference and the Judge’s consideration. Per Tamara Figueroa’s instructions, I will be reviewing the “pro se” section of your website. Since I am located in California and addressing health issues I will be requesting to respond electronically. Kindly let me know how to proceed.

I have included a copy of Mr. Jorge’s sales agreement to support my letter to the Honorable Judge Katherine A. Robertson. His agreement is not with me. or signed by me. It is between him and a California Corporation with a binding arbitration clause.

I have been ill and just discovered an email referencing this matter. Thank you in advance for your assistance in this matter. Your time and consideration are greatly appreciated.

Sincerely,

Marie Adler
